**Re: Demolition of the University of Kansas Facilities  
Administration Building**

Dear Chancellor Girod,

Thank you for your letter of July 19<sup>th</sup> responding to ours of July 13<sup>th</sup>. Representatives of the Lawrence Preservation Alliance, Lawrence Modern, a local group with a particular interest in mid-century modern design, and Historic Mt. Oread Friends, a group dedicated to protecting KU's historic resources and celebrating its history, would very much appreciate the opportunity to engage in further discussion with your staff on the issue of the identification of buildings that may be demolished and the process for evaluating possible feasible and prudent alternatives. Please let us know who on your staff we should reach out to or ask him/her to contact me or LPA board member Mike Delaney. Mike's telephone number is (913) 515-3368.

Respectfully,

Lawrence Preservation Alliance, by

Dennis Brown, President
